Mission Critical Communications

Thuraya SatSleeve

Transform your iPhone or Android phone into a satellite smartphone

OVERVIEW

The perfect blend of mobility and simplicity, Thuraya SatSleeve is the smartest, fastest and simplest way to transform your phone into a satellite smart-phone. Thuraya has developed two SatSleeve models; the SatSleeve for the iPhone and the SatSleeve for Android.

The Thuraya SatSleeve packs a whole lot of innovation into a sleek and elegant form factor. It supports the diverse communications needs of smart-phone users from corporate and NGO users to frequent travellers and adventurous explorers.

Stay connected with your loved ones through phone calls, emails and text messages. You can also access your favourite applications such as Facebook, LinkedIn, Twitter, WhatsApp, and many more via satellite.

Thuraya SatSleeve revolutionizes the way you communicate. Simply dock your smart-phone into the
